Specialised fixings for mounting brackets will be required in certain situations and are not provided as standard. • Steel items are not recommended for damp conditions such as shower rooms.
Crystal finials and acrylic poles should not be positioned in direct sunlight, and are not suitable for use in conservatories. • Brass items are supplied unlacquered and will tarnish over time.

The Bradley Collection reserves the right to modify design and materials without prior notice as part of a process of continual product improvement.
Due to printing limitations, colours in this brochure may not be accurate.

Products are protected by Design Rights, under provisions of Copyright, Designs & Patents Act 1988.
