EDITION SEVEN

19|20

Specialised fixings for mounting brackets will be required in certain situations and are not provided as standard.
Steel items are not recommended for damp conditions such as shower rooms.
Crystal finials and acrylic poles should not be positioned in direct sunlight, and are not suitable for use in conservatories.
Brass items are supplied unlacquered and will tarnish over time.

The Bradley Collection reserves the right to modify design and materials without prior notice as part of a process of continual product improvement. Due to printing limitations, colours in this brochure may not be accurate.

WELCOME

I'm particularly pleased to present our new collections for 2019/20, where we have pushed the boundaries even further on colour and surface finish. Look out for some new 'statement' colours, with my particular favourite being Smoke, which looks especially stunning in our pioneering matte finish.

Also, given the success of the Eclipse Electric collection, we are delighted to include wood and brass designs for the first time and to extend the choice of motor options.

And a personal thank you to everyone who entered our Design Competition this year. Every entry was of the highest quality and we are thrilled to be featuring a number of these project images in this year's 'little black book'.

Isabella Bradley
