Shown with: James Hare - Simla Silk Fabric

ELYSIAN

Elysian bridges the gap between two very different aesthetics, combining pared down modernist style with decorative sensibility.

Offered in an inspirational palette of solid and metallic finishes, Elysian is designed to perform in residential, hospitality and contract settings. The collection steps beyond functionality and elevates the traditional drapery system into a high-end design statement.

SPIRIT OF ELEGANCE

Elysian elevates curtain hardware from the mundane to a high-end design statement.
