

About Somfy

Somfy's leading smart management solutions for homes and buildings have been improving people's daily lives for over 50 years. Developed with comfort, ease of use, security and sustainability in mind, our innovations automate and connect rolling shutters, curtains and blinds, gates and garage doors, lighting and heating, alarms systems and more. We are committed to creating useful solutions that are accessible to all, designed for today and beyond.

Smart curtains for everyone

Thanks to rapid technological advances, more and more people can enjoy the advantages of remote-controlled and automated curtains.

Somfy's new Movelite™ motorisation for curtains makes this life-enhancing technology available to everyone. Combining style with state-of-the-art engineering, it is quiet, discreet, and easy to install.

THE ACCESSIBLE SOLUTION FOR ALL

Designed to perform silently and blend discreetly into any interior, Movelite™ offers the same top levels of quality and service that Somfy is known for, at prices everyone will love. Comfort has never been so accessible.
